

STRING ART

Materials:

1. String and scissors
2. Paper (start with white and then experiment)
3. Paint (watercolors, tempera, acrylic or other) and paint brush
4. Heavy Book
5. Drop cloth, newspaper, work space protection

Project:

1. Spread drop cloth, newspaper or other protection under and around work area
2. Place one sheet of white paper on work area
3. Cut string to wind around paper (keeping all on paper except with 3 or 4 inches hanging out the bottom)
4. Put globs of paint spaced at least 1 inch apart on string
5. Put second sheet of white paper over first sheet and string with paint
6. Put heavy book on top of both sheets
7. Pull string out the bottom (throw away or you might experiment using it again)
8. Take book off and separate the two white sheets
