

Kwanzaa Project Instructions:

1. Materials:

- Paper
- Crayons
- Scissors
- Glue or tape

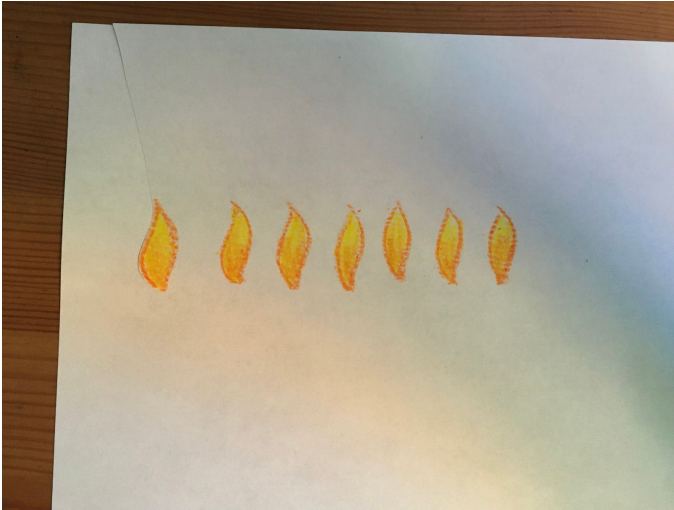

2. Start by drawing the shape of the Kinara. There are many different ways you could draw it, this is just one example!

3. Once you have drawn your Kinara cut it out with your scissors.
4. Next take a new piece of paper and cut 7 smaller pieces of paper from it. These will be your candles.
5. Next color 3 pieces of paper red, one black and 3 green.

6. Once you have finished coloring your paper now draw the shapes of candle flames on another paper, and cut them out.

7. Once you have cut out your candle flames glue or tape them to your candles that you colored.

8. Once you have finished you can glue or tape the candles to your Kinara.
