

CRAYON RUBBINGS

Go on a treasure hunt around your house and yard.

Materials: Look for objects that have texture for example: leaves, flowers, vegetables, crumpled foil, string, burlap, paperclips, cardboard and more!

- Place the lightweight paper on top of the object and rub the crayon over the surface of the textured item, you can choose how hard to press and use different colors
- Play around and combine different objects on your paper, and make a lot of rubbings

Have fun!!!
